**All bookings are subject to confirmation. You should receive an email confirmation within 48 hours.**

RAMS information can be downloaded from our website.

Bookings need to be confirmed the day before departure by telephone – an updated weather & sea swell report will be available at the time.

Please note we have a strict timetable due to the tides. If you arrive late or are not ready when our tractors arrive at our departure point, this will compromise your time at Cape Kidnappers.

**For further queries regarding school visits, phone us on (06) 8750898 or 0800 GANNETS.**
